## Work Experience

### Kroger Layton Dairy and Bakery

Layton, UT

### IT Intern

June 2013 – January 2016

Assisted the MIT (Manufacturing Information Technologist) of both the Dairy and Bakery in various tasks. I was hired initially to upgrade computers from Windows XP to Windows 7. I later created Visio network drawings of all PLCs, Excel VBA scripts, and C# scripts.

### Cottages of Hope

Ogden, UT

### Computer Tech Assistant

September 2011 – January 2012

Assisted various low-income household families in applying for jobs, getting applications for assistance, and helped maintained the donated old computers.

### Weber State University

Ogden, UT

### Computer Tech Assistant

June 2011 to August 2011

Assisted the head of IT for the Marriott Health Building at WSU. I was tasked with taking calls from the faculty, helping troubleshooting computers, upgrading individual computers, and upgrading the Ethernet cables from the network port to the phones and computers in the building.

### Weber State University

Ogden, UT

### Work Study Receptionist

August 2009 to May 2010

Assisted in various odd tasks to assist the secretary from anything from taking out the trash (as the janitors at the time were cut back) to filing the mail.

### Web Designer

Willard, UT

### Valerie Taylor Photography

August 2007 to May 2008

Created and maintained a web site for a photography company. I updated the catalog and prices of the photos when needed.
